Polished elegance

Sophistication and polished style were the inspirations for this stunning shoot, set at boutique hotel, The Royal Wells in Tunbridge Wells

Soft, rich plums added to a blush and rose gold colour palette, are reflected in the wedding breakfast styling, bouquets and floral arrangements, as well as the exquisite marbled sugar craft cake.

Shoot makeup artist, Laetitia Rix of Makeup Angel tells us, "I opted for a soft but glamorous makeup look on models Jessica and Isha using shimmering peaches and pinks accented with warm browns and plums."

The dresses, including the adorable flowergirl's, were made bespoke by Judy Mott. As Laetitia points out, "the perfect solution if you want to realise your own dream dress!" We hope you adore these gowns as much as we do, capturing styles from a classic boat neck design with echoes of The Duchess of Sussex, to a more relaxed boho feel with soft leaf appliqué layering. ♥
