

ONE summer's DAY

Make the most of the
sunshine and enjoy your
wedding day al fresco
Images courtesy of Rebecca
Carpenter Photography

On a bright and beautiful day in June, some of the region's finest wedding suppliers gathered together at Wadhurst Castle to showcase their creativity. From cake to falconry, wedding dresses to ice cream, each and every element complemented the others perfectly.

The gorgeous colour palette involved fresh shades of green, lilac and pink, brought to life through the tableware, flowers and décor. Clare Edwards of The Wedding Box Boutique, the shoot's coordinator says, "We tried to capture the essence of summer with our outdoor ceremony set up, garden tipi seating and hanging tree decorations all within the enchanting grounds of this stunning historical venue."

So if you're in the process of planning your own summer fiesta of a wedding day, we hope you find inspiration aplenty amongst these images.

THE DREAM TEAM

Planning and styling, The Wedding Box Boutique, theweddingboxboutique.com
